

## Student Groom Release

There will be a student performing your pets' spaw day, the student is still training and your pet will be a part of their curriculum. Your groom will be discounted with a 'Student Groom Discount' that will be applied at checkout. There are some requirements for your pet to qualify for a Student Groom.

- Pet(s) must be easy to handle.
- Pet(s) that bite will not be eligible.
- Pet(s) must be under 6 years of age or stand well for entire groom.
- Pet(s) must not have any pre-existing health conditions.

The results of the haircut may differ from your past visits, but rest assured that our student will complete the groom to the best of their ability, and will be supervised by one of the instructors at all times. While they are rare accidents do happen, if they do we will seek veterinary care immediately.

**I hereby grant permission to Hound Therapy to obtain any needed veterinary treatment at my own expense for my pet(s). Also, realizing that a student will be performing the services today, I WILL NOT hold Hound Therapy or staff responsible for accidents or injuries to my pet.**
